

SSgt Karl G. Taylor Sr. Det 1084
P.O. Box 8533
Elkridge, Maryland 21075

To Our Supporters:

The SSgt Karl G. Taylor Sr. Marine Corps League Detachment 1084 is hosting a golf tournament on 06 June 2008 at the Courses of Fort Meade. We would like you to consider sponsoring a sign to be displayed at the tournament.

The United States Marine Corps has been building men and women and training leaders since 10 November 1775. Our motto, "Semper Fidelis" ("Always Faithful"), carries forward to this day, even for those of us who no longer wear the uniform. The Marines of Howard County proudly serve our community as members of the Staff Sergeant Karl G. Taylor, Sr. Detachment 1084 of the Marine Corps League. The Marine Corps League, chartered by Congress in 1932, is comprised of former, retired and active duty Marines and Naval Corpsmen who cherish the ideals, traditions, and camaraderie of the United States Marine Corps. Our detachment in Howard County is named in honor of Staff Sergeant Karl Gorman Taylor Sr., a native of Howard County who sacrificed his life in the Republic of Vietnam with such gallantry that he was posthumously awarded the Medal of Honor, our Nation's highest award for heroism.

We honor the memory of SSgt. Taylor by serving the community in a variety of ways. We conduct a quarterly road clean-up on a section of Rt. 108 in Columbia, participate in the annual Toys-For-Tots campaign, support the Marines Helping Wounded Marines Program at the Bethesda National Naval and Walter Reed Army Medical Centers and award college scholarships to Howard County students who exemplified our ideals by their studious habits and service to their community.

We raise funds for these endeavors in a variety of ways - hot dog sales, the sales of dinners at the Howard County Memorial VFW Post, Jessup, and various drawings for cash and prizes. In order to expand our community programs, we are hosting a golf tournament to be held on 06 June 2008. We are offering sponsorship at the Bronze, Silver, Gold and Platinum levels. Your sponsorship sign will be placed along the course of play. Sponsorship details can be found on the Tournament Sponsorship Form.

Kindly review the enclosure and please consider sponsoring this project. We also invite you and your friends to participate in the tournament, which promises to be a fun-filled outing for a most worthy cause.

Semper Fidelis,
The SSgt. Karl G. Taylor, Sr. Detachment 1084, Marine Corps League
